About Us

The Hunger Charity Project works to end hunger in Africa especially in South Africa.

Hunger Charity's vision

A world where every woman, man and child leads a healthy, fulfilling life of self-reliance and dignity.

Hunger Charity's mission

To end hunger and poverty by pioneering sustainable, grassroots, women-centered strategies and advocating for their widespread adoption in countries throughout the world.

What we believe

We know it's possible for hunger to end, and that our generation has the power to end it once and for all. In our experience, people who live in hunger are not the problem – they are the solution.

Our Causes

We work hard everyday to better the lives of our charity's recipients through our many causes including Fighting Poverty, Feeding Children and Housing the Homeless. Learn more about our efforts and how working together can make a lasting impact! Contact us if you'd like more information on how to donate or volunteer.

One of the main reasons WAMA Chrty was founded in 2000 was to compensate for the greater San Francisco area's struggles with Housing the Homeless. We've dedicated a lot of man-hours and invested countless resources to this charitable cause, and hope you'll help us continue this work. See how you can by contacting us below..
